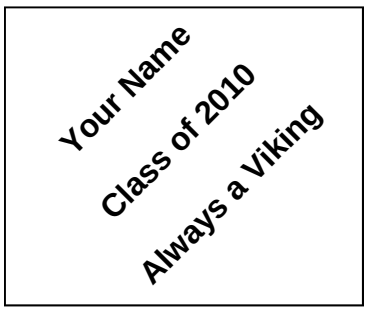
Placing a Foundation for the Future

In 1994 the Viking Booster Club launched a fund raising project in conjunction with the Puyallup High School remodel. We offer engraved tile pavers to be placed at the entry area of the school. The tiles are available to anyone who wants to leave a lasting impression on Puyallup High School.

Since all the money earned from the tile sales goes into the PHS Booster Scholarship fund, this money always goes right back to the kids here at PHS.



Prices:

Single Line	**$ 50.00**
Two Lines	**$ 75.00**
Three Lines	**$100.00**
